

Rain or shine...

Join us for a BBQ. Enjoy a hot dog or a hamburger with us. Discover how unappetizing C-10 can be!

Join forces with other members of the PSAC who are dead against C-10.

The vast majority of public sector workers are feeling the brunt of C-10:

- Some have seen their salary increases that had been negotiated in good faith cut by the federal government.
- Others are forced to negotiate within the constraints of an unfair law.
- The 11,000 members who are part of the TC group/Treasury Board are seeking arbitration this week. They too are bound by this anti-union law.
- For many, pay equity is history!

The BBQ will be fired up at **NOON**:

In Ottawa, on Tuesday, July 7th, in front of the building at 73 Sparks Street (between Metcalfe and O'Connor)

In Gatineau, on Thursday, July 9th, at the corner of Laval and Aubry streets (Vieux-Hull).

An invitation from the Public Service Alliance of Canada, National Capital Region. For information, call 819-777-4647 or 613-560-2560.
